

HOW YOU CAN MAKE A DIFFERENCE ON NELSON MANDELA DAY

Make YOUR 67min count...

We look forward to seeing you on any one of these days, Saturday 16th July, Sunday or Monday 18th July 2011 – Open daily from 8:30 to 16:00.

Mandela Day, 18 July, an international day officially recognised by the United Nations, is a call to action for people everywhere to take responsibility for making the world a better place, one small step at a time, just as Mandela himself did.

"Nelson Mandela spent more than 67 years serving his community, his country, and the world at large," the Nelson Mandela Foundation notes. "On Mandela Day, people are called to devote just 67 minutes of their time to changing the world for the better, in a small gesture of solidarity with humanity, and in a small step towards a continuous, global movement for good."

The Villa of Hope Children's Home is celebrating Mandela Day from Saturday 16th July through Monday 18th July where we are providing an opportunity for YOU to do your bit for our community by assisting us with moving large & small pieces of tree trunks after they been cut for collection by the community for

fire wood, as well as painting our boundary walls inside and out. This is a huge task, for this reason we ask that you spread the word and bring along as many friends as possible. We have huge over-grown trees that are dry and brittle. With the recent windy weather, a few have fallen to the ground; fortunately, no children were in that area. We appeal to tree-felling companies, individuals and the community at large to assist us by pruning these trees to prevent any children getting hurt in the future.

Some paint will be provided (bring additional exterior paint if you can) for the boundary walls. Please bring a brush, pan, roller & bottle of thinners. There is something for everyone to do; garden / yard work, pot-holes to be repaired, painting. Come on big, strong, men & boys; your help is needed and woman & girls are welcome too.
